Case Study: Seneca Premium at Stafford Grammar School

"Seneca has got great content, it's accessible, it's fresh, it's exciting, and it's introducing features like AI. That's why I like it."

- Colin Anderson, Stafford Grammar School

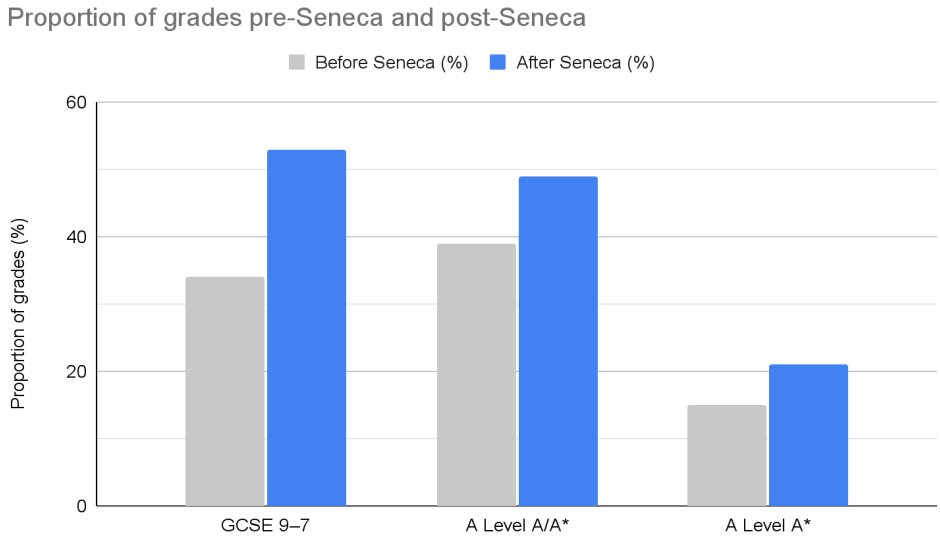
Overview

- Stafford Grammar School is an independent UK school. Assistant Headmaster Colin Anderson told us about the school's challenges and explained how Seneca Premium fits into their strategy.
- The school faced familiar challenges such as pupils relying on last minute revision, difficulty tracking learning and limited teacher time.
- Across one academic year with Seneca Premium the proportion of 9-7 grades at GCSE **increased by 56%** and the proportion of A* grades at A Level **increased by 40%**.

Seneca Premium at Stafford

At the beginning of the 2023/24 academic year, the school adopted Seneca Premium for KS4 and KS5. Through a combination of engaging content, insightful data, and reduced admin load, Seneca Premium has helped to elevate outcomes while keeping staff and pupils **empowered and motivated**.

Results & Impact



Following the success of Seneca premium with KS4 & 5 in 2023/24, Stafford Grammar upgraded to Premium for all year groups. If you would like to learn more about Seneca Premium, please contact Ruth Darvill at ruth@seneca.io.

"It's not just a revision tool - it's part of our learning culture now" - Colin
