

Bedrock in action...

Recent case studies from Bedrock partner primary schools

Case study video:

Bedrock Learning at **Dial Park Primary School**

The Bedrock team recently visited long-time partner school St. Mary's CEVA Primary School to meet teachers, learners and parents and explore the impact they have seen after embedding Bedrock as part of their literacy strategies.

Hear the Head of Literacy and teachers at St. Mary's talk about how Bedrock has impacted their literacy outcomes – right across the school.

Case study video:

Bedrock Learning at **Dial Park Primary School**

We recently caught up with James Clark, headteacher at Dial Park Primary School, at the Schools and Academies Show.

We spoke to him about why Dial Park had chosen to partner with Bedrock Learning and the significant difference it had made to literacy lessons at the school.
