

WHAT UK PILOT TEACHERS ARE SAYING

"All of the teachers and kids loved it"

"Thought it was amazing"

"By the time we got to the 3rd song the kids were dripping with sweat"

"DrumFIT would be so much more beneficial than the daily mile"

"There was no behaviour issues at all... even from the kids that you would expect that from ... as soon as they start, they don't have time to think about messing about as they are too busy watching"

"We have had some people from our academies come into the school and have wanted to take our equipment and do DrumFIT at their school"

Aaron Mullins

Brownmead Academy, Birmingham

"It was really easy if you're not that knowledgeable as a teacher, you can just press play and spend time encouraging the kids and helping them rather than leading the class"

"Some kids with special education needs who don't like competition or unstructured PE classes have been engaged during the DrumFIT classes"

Emily Reid

St. Bernard's Royal Catholic Primary School, Chester

"A teacher's dream"

~ Susanne Douglas

"The teachers love it, we even did a teacher's after school DrumFIT evening, it really lifted morale, and everybody came out raving about how fun it was"

Laura Whittingham

Millenium Primary School, London

"After a couple of classes, they were much more in unison as a group and their confidence had grown"

"They didn't realize how hard work it would be... 10-12 minutes in, the jumpers were coming off"

"Much higher energy than usual PE classes"

"100% engagement"

"All of the students want to carry on with DrumFIT"

"Even the football mad boys loved it"

Susanne Douglas

Lauder Primary School, Scotland

"Parents have stopped me to tell me that their children love DrumFIT"

Gary Bowyer

Cloudside Academy, Nottingham
